

COVID Guidelines during use of Millard School District facilities

1. Millard County Recreation, all spectators, and participants are guests at the Delta High School Auxiliary Gym and Delta Middle School Gym and must abide by their requested social distancing and COVID guidelines whether you agree with them or not.
2. If you or your participant is experiencing any COVID related symptoms, please stay home. Do not come to the facility if you are sick.
3. Parents are strongly encouraged to leave non-participating children at home. If children attend games, they must remain in the bleachers seated with an adult. There will be NO running around in the hallways.
4. **Masks are required to enter the building and remain on if *not* participating in the game.**
5. Practice Social Distancing by keeping at least 6 feet between your immediate family and others. Do not gather in groups.
6. Millard County Recreation (MCR), MCR volunteers, and MCR employees reserve the right to ask individuals to leave the facility if they are not following the requested COVID guidelines as written above.
