

A big thank you to all who took the time and interest in serving as a county delegate this year. It has truly been a challenging and unique set of circumstances we have had to work within. Also a debt of gratitude to those candidates that have put themselves out there offering to serve.

This evening we had 76 credentialed delegates show up to represent their precincts and cast their ballot for the candidates they thought would best represent us in the upcoming elections. There are 90 total delegates so 84.44 % participated. Great job!
